My position last year, as Chairman of the Sanitary Committee of this city, brought me constantly in contact with persons sufering from Cholera, Dysentery, &c Pacts oming under my own observation, with reference to the officacy of your Dysentery Fyrup in the diseases, have been confirmed by the testimony of my associates on the com-mittee, and particularly by Alderman De Ferest, of the First Ward. So strongly was I impressed with the value of

your preparation, I caused it to be sent to the Quarantine, where the Cholera then existed; and it is not a little remarkable that but a single case was reported afterwards.

S.N. PIKE'S Magnolia WHISKEY Cincinnati

S. N. PIKE'S Magnolia Whisky,

THE UNDERSIGNED, manufacturer and sole proprietor of the above brand of WHISKY, would respectfully inform his customers and pur Landon chasers of this celebrated brand, that there has appeared i the Charleston and other Southern markets a counterfel of the above Whisky, being a poisonous imitation, branded similar to his brand; it passes under the name of S. N. Dike's Magnolia Whisky, Cincinnati, Ohio, and other names similar to S. N. Pike. As there is no party in this city of the name of S. N. Dike, it is intended to impose and deceive those who would jurchase the genuine brand. I make this statement to put parties on their guard, as there are several persons in the east and west making an imitation, and using my name with a slight alteration. I have analyzed several samples of this counterfest brand, and found that it contains a deadly polson: this fact alone impels me to caution the numer, protect those who are liable to be ecceived, and prevent the evil results attending the use of this poisonous imitation. I also hereby caution the counterfelters of my brand that I will presecute them to the full extent of the law. The genuine S. N. Pike's Magnolia Whisky is distilled from the best qualitities of Rye and Corn, and is warranted free from any deleterious or obnox-ous compound, it being a pure and healthy beverage. Many parties have recently commenced making a bran of Whisky Called Magnolia, but they are an immitation of my trade brand, so be careful at d get the only genuine Magnolia Whisky made in the United States, and distilled SAM'L N PIKE, No. 18 and 20 Sycamore-st.
